Hi Nancy,

Just don't want you to think we have forgotten you. I will be attending the "final" ICP meeting today. It is finally being shut down. ☺

Regards,

Tom

Good Evening Gold King Mine Incident and Community Response Group:

As discussed in today's meeting, members of our group will be hosting an "Animas River Celebration" on Sunday, November 1st at the La Plata County Fairgrounds from 12 – 2pm. The event will be in an open house format to provide information to our community members to answer questions they have surrounding the impacts of the Gold King Mine Spill. The final details of this event are still progress, but we want to confirm which of this group's participants would like to take part so that we can adequately publicize it. We will begin to send out invitations to the event on Thursday.

We plan to set up subject matter tables for our organizations in the following areas:

- o Fishery/aquatic life
- o Drinking water

- Surface water and sediment quality
- Agriculture
- Recreation
- Mine remediation

Based on the sign-up sheet from today's meeting, I have the following co-sponsors for the event (my apologies if I missed anyone) – **please let me know by COB Wednesday if an organization should be added or removed from this list:**

4 Corners Riversports
 Animas-La Plata Project
 Animas Watershed Partnership
 City of Durango
 Colorado Division of Reclamation, Mining, and Safety
 Colorado Parks and Wildlife
 Five Rivers Trout Unlimited
 Fort Lewis College
 La Plata County
 Mild to Wild Rafting
 Mountain Studies Institute
 Mountain Waters Rafting
 San Juan Basin Health Department
 Senator Ellen Roberts

Southern Ute Indian Tribe Water Quality Program
 Southwest Colorado Community College

Please let me know if you have questions as we continue to plan this event for our community.

Warmly,

Flannery O'Neil, MPH

Interim Deputy Director

San Juan Basin Health Department

(970) 335-2087 - office
